VISION

The Vision of Guru Nanak Public School is to build a generation that has values, follows deep rooted Indian culture, is equipped with knowledge and skills, have optimistic approach towards life and are sensitive human beings who build a strong bond in the society.

MISSION

Our mission is to upgrade the rural children to such a level that they are able to compete and perform best at the global level. For this, the school will focus to instill values in the field of academics, languages, computer application and moral values. They are taught to learn the sense of responsibility for all their actions.

AIMS AND OBJECTIVES

- The aim of this institution is to impart sound education and character formation to the young so as to enable them to find their proper place in the society and equip them to the service of the God and its people.
- To create an environment for happy and joyful learning for all kids.
- We also aim at moral and spiritual education for awakening a passion in students for whatever is true, good, honest and honourable.

ESTABLISHMENT OF THE SCHOOL

GNPS was founded in 2001 by S. Harmandar Singh Sethi having a dream to offer global standard of education to the rural people of Nalagarh. His dream has been carried forward by S. Nasib Singh Ji i.e to inculcate everlasting values in our students to help them to develop their true potential to the optimum. We strive towards understanding and appreciation rather than condemnation. We will develop a professional attitude towards work. Our school will be a place of harmony, co-operation and peace where each member will continue to grow towards excellence. Our vision is to develop confident and responsible individuals who aspire to fulfill their ambitions.

MEDIUM OF INSTRUCTION

The medium of instruction is English and the method of study is in accordance with the scheme laid down by the C.B.S.E. Board. Special importance is given to English, including spoken English. Hindi as the national language and Punjabi as the regional language are taught from pre-primary level with priority. The medium of instruction is English and the pupils are prepared for the SSE (class X) and SSCE (class XII) and other competitive exams.
